ALL PRO TRANSPORTATION

Spring 2011

Letter from the President

Happy Spring!

Dear Friends,

With 2011 well underway and a close to the first quarter, we are heading in a good direction. As you know transportation is the first indicator and judging by your increase in activity in the first quarter, it is a positive sign for 2011.

This year we continue to increase our volume of owner operators

and develop better and more cost efficient ways to get your shipment there on time via air, land or sea.

And of course, our hotshot division has a team of drivers with equipment including cargo vans, sprinters, straight trucks and 53' trailers all at your disposal in a moments notice—24 hours, 7 days a week. Trust me when I say that our team is the best—we will

get the job done ahead of schedule.

Don't forget why All-Pro has been so successful for over 17 years—our air freight service, door to door—anywhere in the world. To grow to this level has been a long journey, but a very successful one.

To handle all of our customers' logistic needs is why we call ourselves; not

the biggest, but the best in the business.

Please contact our team of professionals. We stand by our service 100%!!

Thanks,
Pat Valentine
President
All-Pro Transportation

WISCONSIN

Tip #1 When it comes to freight insurance, check first with your company's policy, they may have a rider. If not, be sure to declare a value on your BOL. If you don't, please keep in mind that your freight is only covered for 50¢ per pound.

Tip #2 Need a rate/availability quick? Reach out to Pat and Patti via email. Their addresses are below:
pvalentine@allprotransportation.com
pweger@allprotransportation.com

Congratulations to Prima Finn our most recent winners of Cubs tickets
Contact your sales rep to find out how YOU could be the next big winner!
